

## easyclean365+ microfibre cloth WA 600

- » The streak-free cleaning wonder! Ideal for the professionally interior cleaning of vehicles, car finish, motorcycles, catering trade, kitchen & bathroom.
- » Excellent water absorption and high absorption speed by polyurethane skin which treats the surfaces with care.
- » Composition: PET/PA microfibre, high-tech polyurethane.
- » Water drops on the surfaces after cleaning are a thing of the past and the use of any detergents is dropped.
- » Due to the interwoven and strong texture the microfibre cloth is tear-resistant. Furthermore, it is lint-free, antibacterial, very kind to your skin and anti-allergic.
- » According to the principle "completely clean with only one wipe". Even spots like fingerprints are removed in the twinkling of an eye and the surfaces gleam in mint condition.
- » Washable at up to 60 °C and usable several times.
- » Single pack with European perforation and product code. Packing unit 10 pieces. 50 pieces per cardboard.
- » The size of the cloth can be individually determined and a private label version is possible provided that the order quantity exceeds 1,000 pieces. One-time costs of € 450,- for the production of the tools needed for the label.
- » Size: 35 x 40 cm

**Experience our cleaning wonder - you`ll not want to miss it anymore!**
